Skills Prefixes are a group of letters that are added to the beginning of a word to change the meaning.

What do these prefixes mean:

dis- de- mis- over- re-

Make column headings in your home learning book and write words before and after prefix is added and add meanings like this:

over	dis	mis	re	over
cautious (wary) over-cautious (far too wary)				

Use dictionaries to find lots of examples to fill your columns.

Now write some persuasive sentences using some of your prefix wordbank examples.

Remember persuasive sentence starters:

I believe that.. In my opinion… Others must agree that… Clearly… The fact is…. Without doubt…

In truth…. Surely …. Many believe that…

Undoubtedly… Unquestionably… Undeniably…
