

## Sport Premium Funding

### Background

In April 2013, the government announced new funding of £150 million for physical education (PE) and sport. This funding should be used to improve the quality and breadth of PE and sport provision.

Funding will be allocated to all maintained and state-funded schools with primary aged pupils, including: primary, middle, special and non-maintained special schools, academies and pupil referral units from 1 September 2013. Annually, all Schools with 17 or more primary aged pupils will receive a lump sum of £8,000 plus a premium of £5 per pupil.

**P.E. and School Sport** is an important part of school life at Osmotherley Primary School. We believe that P.E. and sport contribute to the holistic development of our children as healthy and well rounded individuals. Through participation, our children develop and learn more about key values such as respect, co-operation, team work and consideration for others.

Our aim is to develop lifelong interests in sport and health which are enriching and fulfilling.

With the money we have been allocated so far, we have been able to...

### **Up-skill teachers to improve the quality of PE lessons**

We have bought in a specialist PE teacher/co-ordinator to provide:

- ❖ a programme of professional development for our staff. This has improved the confidence of teachers when teaching PE and developed their skills in ensuring all our children access high quality PE teaching.

### **Investing in quality coaching**

We have worked closely with North Yorkshire Sport and the Sports National Governing Bodies to access coaching programmes including:

FA Skills Coach (James Lofthouse) – 10 weeks coaching and teacher mentoring.

Cricket Club-School Link – via Stokesley & Northallerton CC

Orienteering – CloK Orienteering Club, School & Community Club

Rugby – Duncan Burgess (Thirsk Area SGO)

Tennis – Claire Smith (Hutton Rudby Tennis Club)

Basketball – Jordan N & Theo T Teesside Mowhawks BC

Football – After-school club football coaching

### **Purchase better PE equipment**

We have been able to better resource our PE lessons with quality equipment for teaching and assessing children as they develop their skills. We have been able to ensure that the school teams who compete in local competitions have high quality equipment and kit.

### **Transport**

Transport provides us with the opportunity to get together with children from other schools to compete within their own year groups. It also supports transportation to all sports events.

### **Competition**

Provides more opportunities for pupils to take part in inter-school events and competitions. Below is a summary of our key sporting achievements in recent years:

School Games Level 1 – Green (Stokesley/ Northallerton Schools Cluster Competitions)

School Games Level 2 – Orange (Hambleton Area Schools Competition)

School Games Level 3 – Red (North Yorkshire County Schools Competition)
