

Osmotherley Primary School

Issue 7 2018 - 19
Monday 11th February 2019

DATES FOR DIARIES

As part of our curriculum focus next half term, we will be taking part in an Arts Council project called 'Where the Music Takes Us'. The project involves music, geography, history, dance and art. As part of the project we will be taking both classes to locations along the river Swale where they will be able to visit the places have studied, and to perform the music they have composed.

We will be welcoming the Phoenix Dance Theatre, who will lead a dance workshop based on the music we have studied. You are invited to come and see the children perform their dance (date to be confirmed) and Rural Arts, Thirsk, will lead an art workshop based on the music we have studied. The children will be making concertina books and a large paper mural.

We are also invited to two live performances of the music we are listening to.

On the morning of Saturday 18th May we will be visiting Northallerton Music Centre, where we will explore 'The River Vltava' by Smetana with Northallerton Area Symphony Orchestra and meet the instruments and students playing in the orchestra.

There will also be an exciting concert with a full, adult symphony orchestra on Sunday 23 June. More details will be available nearer the time but in the meantime, please save the date in your diary.

On the 11th of April, I would like to invite parents, governors and members of our community to join the children and staff of Osmotherley School for the 3rd of our annual Vision Days. We will be reviewing the actions from the Vision Day last year and we will be looking for new ideas and suggestions to improve our school. We will be focusing on how the curriculum at Osmotherley School can best meet the needs of the children at our school to provide them with the best possible foundation on which to build successful and happy futures, whilst playing an active and supportive role in our local community too. I hope that as many people as possible will come to this event and share their ideas and suggestions. Miss Bamber

After School Clubs

A huge thank you to Amy Callin for running the excellent cookery club sessions for us again this year. The children from both classes thoroughly enjoyed making and eating their delicious creations and they learnt about food preparation and healthy eating too. Thank you to Clare Scott, Louise Mansfield and Angelina Hunter for their help too.
