12th July 2019

Dear Parent/Carer

I am pleased to let you know that as part of our Eco drive we have made the decision to leave the 'Cool Milk' program. We will now manage the milk for children in house and have sourced our milk from our local milkman – Ian. This will mean that we are not producing any paper or plastic waste in this area.

At this time if you have an account with Cool Milk please, can you sign in, close your account, and cancel any direct debits you may have. We will be charging two different fees for milk and payments are to be made via Parent Pay. The fees are as follows:

0.25p per day for Acorns, £1.25 per week

0.50p per day for Oaks, £2.50 per week

The amount given to the Oaks will be a larger amount than for the Acorns; we have found the younger children do not drink the same amount as the older children resulting previously in a large amount of waste.

Please can you complete the form below and return by Thursday 18th July 2019 if you would like your child to receive milk in school as of September. Please return the form by Thursday 18th July 2019

If you have any questions please feel free to contact Louise in the office.

Yours sincerley

Jane Bamber
