

Osmotherley Primary School

Issue 1 2019 - 20
Tuesday 20th July 2020

The new school year is off to a flying start. We have welcomed seven new reception children into our school and they are settling in beautifully!

The Oaks are immersed in their learning about Ancient Egypt and the Acorns have been enjoying lots of opportunities for outdoor learning through their topic, 'Enchanted Woodland'.

This term also sees the launch of two new ventures: 'Pupil Leadership Teams' and 'Osmotherley University'. We have four leadership teams: a fund-raising team, a health and safety team, an 'eco' team and a digital team. Every child, from Year 1 to Year 6, has chosen one of the teams to join. The fund-raising team has already arranged to run a stall at the Macmillan coffee morning in St. Peter's on the 1st of October. We are looking forward to hearing news from the other teams soon.

On Friday afternoons, the children are now invited to attend 'Osmotherley University', as a reward for staying on the green traffic light for following the school rules and demonstrating our school values. At Osmotherley University, the children can try a new activity or learn a new skill. So far, they have taken part in a natural treasure hunt, a boxercise session, orienteering (Oaks) and creating a 'junk' band (Acorns). The venture is proving very popular and both the conduct and learning behaviour in school has shown a marked improvement!

New Behaviour Policy

Osmotherley School has adopted a new behaviour policy linked to our school values of respect, resilience, empathy and reflection. We are still using the existing traffic light system but now the children who remain on the green traffic light are rewarded by being invited to the Osmotherley University at the end of Friday afternoon. Children who have been on the amber traffic light more than 3 times in a week or on the red traffic light do not receive the reward. Children are placed on amber if they do not follow the school rules or instructions from the adults at school. Amber is also given if a child does not have their green reading record book or their PE kit in school. The red traffic light is used for more serious incidents, including physically hurting someone deliberately. For full details, please see our new behaviour policy on the website.

OFSTED

Last week, Osmotherley School was inspected by Ofsted. A report will be released within 30 days of the inspection and posted on our website.

The governors and school leaders will invite parents and carers to a meeting to discuss the findings and outcomes.

I would like to thank everyone who helped during the inspection and for all the overwhelmingly positive responses on Parentview.

Harvest Festival

Please join us at 6pm this Friday (27th Sept) at St. Peter's Church for a Harvest Festival service. The school children who attend will be singing the 'Harvest Samba'!
