Line up 15 objects, can you count from 1 to 15 pointing to each object, can you count back from 15 to 1. What number comes before 11? What number comes after 13? What is one more than 12? What is one less than 15? If I start on 15 and count back 4 what number will I land on? In your books can you write the numbers 11,12,13,14,15. Complete the more/less sheet.

**Literacy:** Choose your favourite part of the story The Three Little Pigs. Draw a picture and then write some sentences telling the story. Remember your capital letter, full stop and finger spaces.
