KS2 French - Les sports

Many sports sound similar in French to English. Look at the sheet attached and match the word to the picture. What do you notice about the words that are red?

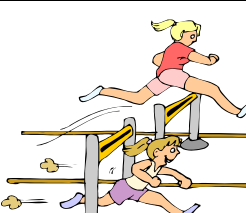

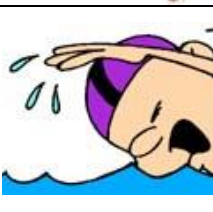

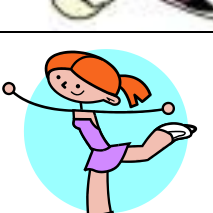

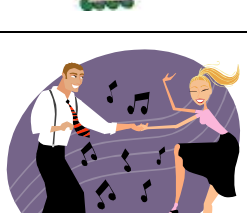

You could:

- Print them out, cut them up and make a pairs game.
- Get someone to show you the picture and see whether you can say what the activity is in French. How quickly can you match them up?
- Write down the English word and then the matching French to create a vocabulary list as you do in your French books.

For further practice, you can go to [french-games.net](https://www.french-games.net)

Select [section 1 – Topics](#) and then select [Activity](#).

Once you are on the activities page, select [Activity – sports](#). Complete the tutorial to revise the sports then practice by playing the games. Pong is good fun... good practice for your mouse skills too!

le snooker	le volley (ball)	le ping-pong
le basket (ball)	le badminton	le rugby
le golf	le foot (ball)	le tennis
le hockey (sur glace)	le cricket	le skate
l'athlétisme	la gymnastique	le cyclisme
le VTT	la natation	le judo
l'équitation	le ski	le roller
le karaté	le patin à glace	la danse
