

Oaks Geography/Music Monday 20th April 2020.

Hope you had a lovely Easter.

Geography on home learning is a sheet for you to complete about the Geography of Greece. This is what you may know already about Greece so try and complete it without looking at the internet/atlases etc. It doesn't matter if you know very little because we will be looking at the geography of Greece over the next few weeks, just have a go.

Music go onto www.charanga.com and go on Charanga Yumu student login and put in the login details that were sent to you just before Easter. I have added some music for you to try. There is Lean on Me that we were doing altogether just before school closed which you may wish to continue. Also added is Blackbird for Years 3 and 4 and PLASTIC for Years 5 and 6. Explore, listen to the music and play the games. Have fun.
