To end our festivals focus, think carefully about Jesus fulfilling the prophecy that he was the son of God and his resurrection on the 3rd day.

Read what it says in the bible about the stone of the tomb being rolled away:

After the Sabbath, as the first day of the week was dawning, Mary Magdalene and the other Mary went to see the tomb. **And suddenly there was a great earthquake; for an angel of the Lord, descending from heaven, came and rolled back the stone and sat on it. His appearance was like lightning, and his clothing white as snow.** For fear of him the guards shook and became like dead men. But the angel said to the women, "Do not be afraid; I know that you are looking for Jesus who was crucified. He is not here; for he has been raised, as he said. Come, see the place where he lay. Matthew 28:1-6

Christians believe that God sent an angel to remove the stone. What do you believe? Romans were guarding the tomb. Could there be another explanation?

Write down what you believe/think and add **because** in your answer to explain your reasoning.
