Go on [www.phonicsplay.co.uk](http://www.phonicsplay.co.uk) and play giggling graphemes Phases 2/3 and Tricky word trucks Phases 3 and 4.

**Maths:** Watch Numberblocks on Cbeebies iPlayer episode “sixteen”.

Collect up to 20 objects. They can be anything you like. First count out 10 objects into line, then add 2 more how many have you got now? How could you write that calculation down? Using your objects, complete the following questions.

First count out 13 objects, then add 4 more, how many do you have now?

First count out 11 objects, then add 3 more, how many do you have now?

First count out 9 objects, then add 6 more, how many do you have now?

Challenge: Put out all 20 objects, if you added 3 more how many would you have?

**Literacy:** Listen to the story Whatever Next by Jill Murphy. If you have the book read the story or they are plenty of story tellers, telling the story on YouTube.

If you had a rocket, where would you go? Draw a picture of your rocket and write some sentences about where you would go in your rocket. What would you see? What would you do?

**P.E.** Go and get active, up to you how.

Don't forget to share books and read.

Have a lovely day

Mrs. Edgeworth.
