

EYFS Instructions for Thursday 14th May 2020

Good Morning! Keep having fun and remember to help out around the house too.

Phonics: Complete a session from Mrs. Jervis.

Then go onto www.phonicsplay.co.uk Phase 4 and play Buried Treasure CCVC words.

If you could email back the sheet I set this week that would be great. Thank you to those who have already.

Maths: Watch Numberblocks (Cbeebies, iPlayer) episode Flights of Fancy.

You could:

Complete the attached subtraction sheets

Build a farm/garage/shop and make up some adding and subtracting stories using your animals/cars/shopping. For example: You put 10 cows in a field and then 5 go to be milked how many left in the field? 9 cars drive to the garage and then 4 more arrive how many are there now? See what number sentences you can come up with.

Make a numberline to 10 or 20. Write out the numerals and then can you put the correct number of objects next to that number? Can you put the numbers in order without any help?

Play a board game with your family that uses a dice

Play a game of dominoes.

Literacy: Imagine you are walking down your street, Draw a picture of who you could meet. They could be real/imaginary/someone famous/an animal up to you.

Write at least 5 sentences about what happens. Try to write the sentences independently (without any help from an adult) using your sound and tricky word mats to help. Think your sentence, say it, write it. Then read your sentences back to someone in your house.

Science: Continue the science activities Mrs. Bridge set last week.

Don't forget to continue to read and share books

Have a lovely day

Mrs. Edgeworth
