

Happy Ever After Homes

Price: £295,000

Address: The Long House
Little Man Lane
Gold Mine Valley

Details:

This is an exceptionally spacious house which would suit a large family. It presently has only 1 bedroom. However, this room is so large that the current occupiers can easily fit 7 beds in the room.

The house should appeal to the DIY enthusiast who would enjoy the chance to convert the upstairs into 3 or 4 family bedrooms.
