

**Thursday 14<sup>th</sup> May 2020**

Good Morning Oaks

Here are your activities for today (you can do them in any order).

**Joe Wicks PE** (or another type of physical activity – we have received some very unusual photos of outdoor exercise this week – have a look in the gallery!)

**Reading** for 20 minutes – Don't forget! If anyone needs some new books, please phone school and arrange to drop off the books you have read and we will swap them for some new ones.

**English**

See the tasks for today – Ms Pickard was very excited when she found the Greek myth performance that features in today's lesson. I hope you enjoy watching it.

**Maths**

See the tasks that Ms Pickard and Miss Bamber have set today.

**Computing and DT**

Please see Mrs Smithson's instructions for today.

I was very impressed with the sketched designs that Mrs Smithson has shown as examples and I know that she has been delighted by the effort that many of you have been putting into your blogs.

Keep up the good work – remember, we are very proud of you for how well you have managed all of these changes. You are Superstars!!!!

Miss Bamber
