

**Friday 15<sup>th</sup> May 2020**

Good Morning Oaks

Here are your activities for today (you can do them in any order).

**Joe Wicks PE** (or another type of physical activity)

**Reading** for 20 minutes

**English**

Ms Pickard is leaving the writing sequence today and has a special task for you today. See her instructions for more details.

**Maths**

See the tasks that Ms Pickard and Miss Bamber have set today. The White Rose Maths Friday challenge for Y3 today involves cooking. I have emailed the recipe to parents but don't worry if you don't have the time or the ingredients, even if you just watch the video, you can still do the activity.

**Art**

I have set you a challenging task for Art today. I would like you to create a piece of art depicting the head of Medusa or another Greek god or goddess of your choice. If you are feeling adventurous, you could try a 3-D model but, if you don't have any modelling materials, I would be just as pleased with a fantastic drawing, painting or even a collage. I would love to see photos of your masterpieces when they are finished. I have also set this as a 2Do on Purple Mash so you could also paint it on 2Paint A Picture.

Have a lovely weekend

Miss Bamber
