Maths Y3

Hello Year 3s,

Today's maths is on <https://whiterosemaths.com/homelearning/year-3> Look for Summer Term - Week 3 (w/c 4th May) – **Friday challenge** and watch the video. If you would like to try the recipe and you have all the ingredients, that would be great – I would love to see some photos. If not, you could make the shape out of card or paper and then do the activity. (copied below).

Friday Challenge

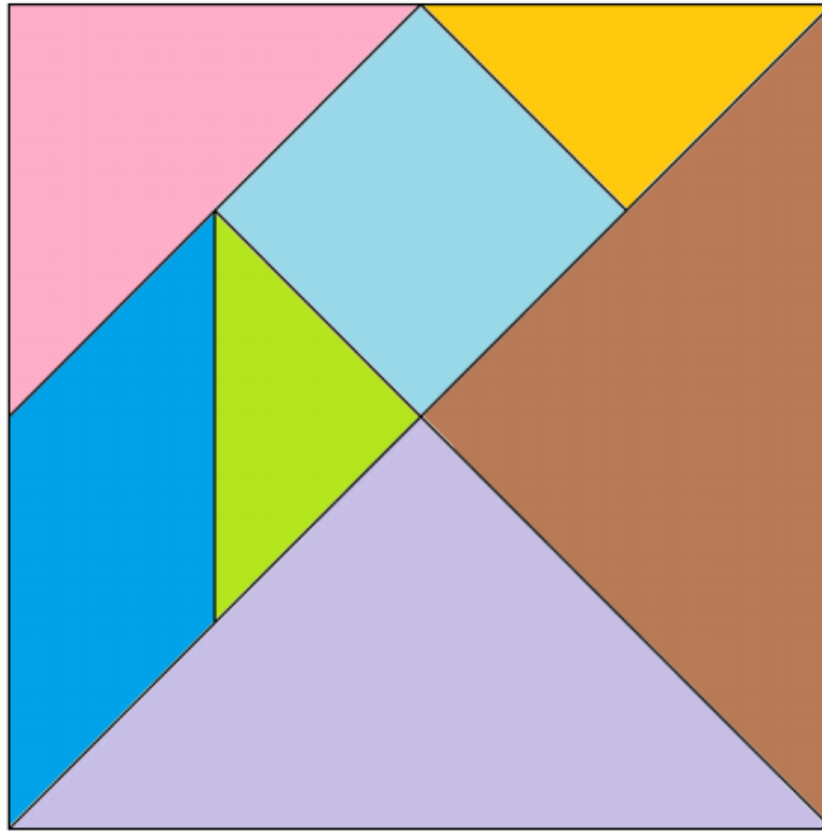

Get the Activity

Clue-Dough Cake Activities Worksheet

Get the Ingredients Lists & Recipe Cards

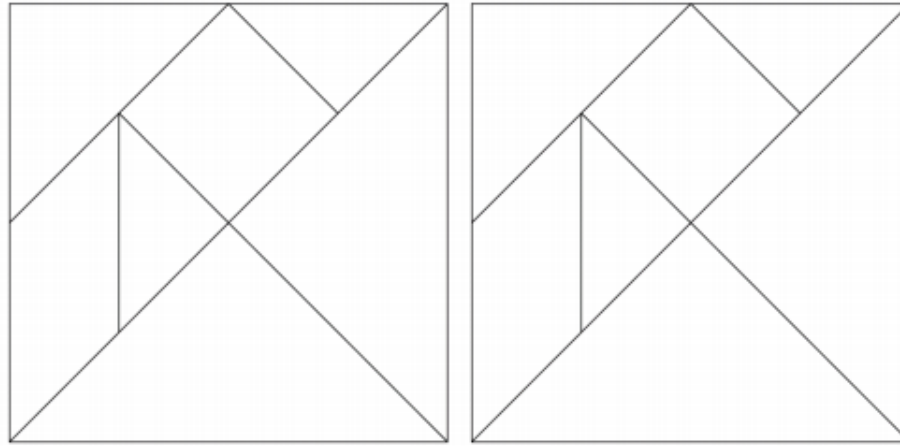

Each recipe will have maths activities to go alongside it. We have a recipe each for KS1, KS2 & KS3, but feel free to choose any you like!

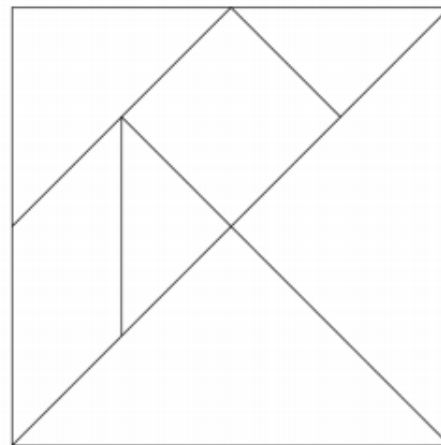

(a) What shapes can you see?

What way can you sort your shapes?

-
- (b) Can you see two different types of trapezium?
Shade them in.

- (c) Can you see an irregular hexagon?
Shade it in.

Q2. Cut out your cake so it looks like the tangram.
Can you make any of the following shapes?

A boat

A cat

A house

Q3. What other shapes can you make?

Q4. What fraction of the whole shape is shaded here?
