

Wednesday 13<sup>th</sup> May

Hello again y5.

Hope you enjoyed your primes, squared, cubed, factor, multiple Medusa Maths yesterday. Today and tomorrow you are going to use White Rose Maths to revise adding and subtracting decimals with different numbers of decimal places.

This is a hotspot problem in SATS where lots of y6 children don't use column layout carefully in these types of questions. Pay attention to the videos and good luck in the tasks!

Search for **white rose maths home learning y5**

Scroll to **summer term wk 2 (27<sup>th</sup> April+)**

Scroll to **lesson 3 adding decimals with a different number of decimal places**

Remember to watch the video first.
