

Year 1 Instructions for Thursday 21st May 2020

Good Morning! I hope you enjoyed the sunshine yesterday.

Phonics: Complete a phonics session with Mrs. Jervis.

Then go onto www.phonicsplay.co.uk Phase 5 and scroll down to alternative oo spellings (as in spoon). Play Phoneme Spotter. Read through the text and see how many different oo sounds you can find (Clue there are 6 different ways) then click the reveal graphemes button to see how you did.

Maths: Find 6 objects in your house or garden. Line them up longest to shortest. What will you use to measure the objects to find out if you are correct?

Then complete the Measure Length worksheet attached.

Then using the same 6 objects put them in order of heaviest to lightest. How could you find out if you're correct?

Go onto www.whiterosemaths.com and go on Week 5 Lesson 4 (Weight and Mass). Watch the short video and then complete the Maths worksheet attached.

English: Finish your plan from yesterday first if you need to. You are now going to write your advert for the 3 bears cottage.

You will need to include: a picture of the house (you may want to draw some inside rooms too if you want). The name of the house, how much you are selling it for and where it is.

You then need to write a detailed description of the house, use persuasive words, exciting adjectives, short snappy sentences.

You can either do it in your books or you may want to design an advert on the computer.

Science: Continue the activities that Mrs. Bridge set a couple of weeks ago.

Don't forget to continue reading and sharing books with someone at home

Have a lovely day, get outside and enjoy the sunshine

Mrs. Edgeworth
