

Year 2 Instructions for Thursday 21st May 2020

Good Morning! I hope you went out and enjoyed the sunshine yesterday.

Reading Comprehension: Attached is a reading comprehension about Hedgehogs. There are 2 different ones. Choose which one you would like to do or you could try both up to you. Answers are attached for parents.

Maths: In your Maths books draw arrays for 4×2 , 6×2 , 10×2 , 8×2 .

Then go onto BBC Teach Supermovers and warm up to your 5 x tables.

<https://www.bbc.co.uk/teach/supermovers/ks1-maths-the-5-times-table/zhbm47h>

Now go on www.whiterosemaths.com home learning and watch Week 5 Lesson 4 (5x tables) Watch the video and then complete the worksheet

Answer the following reasoning question in your books:

Would you rather have 3 boxes of 10 biscuits or 5 boxes of 5 biscuits?

Explain your reasoning.

If you want to practise your multiples of 5 then go onto www.topmarks.co.uk coconut multiples.

<https://www.topmarks.co.uk/times-tables/coconut-multiples>

English: Finish your plan from yesterday first if you need to. You are now going to write your advert for the 3 bears cottage.

You will need to include: a picture of the house (you may want to draw some inside rooms too if you want). The name of the house, how much you are selling it for and where it is.

You then need to write a detailed description of the house, use persuasive words, exciting adjectives, short snappy sentences.

You can either do it in your books or you may want to design an advert on the computer.

Science: Continue the activities that Mrs. Bridge set a couple of weeks ago.

Don't forget to continue reading and sharing books with someone at home

Have a lovely day, get outside and enjoy the sunshine

Mrs. Edgeworth
