

Thursday 21<sup>st</sup> May

This is the day that you begin your **final write** Oaks. Remember that your story content has to include a god or goddess who helps a mortal to solve a problem or overcome an obstacle.

You should have lots of description including

Y3 similes

Y4 similes (and metaphors optional)

Y5/6 similes and metaphors

Be very careful with speech punctuation(looking back at skills lessons leading up to this final write).

Y6 I also want to see evidence of hyphen and semi-colon.

Don't forget to give your story a title (although sometimes it easier to think of one right at the end).

Enjoy. Let your imagination bring your characters and the setting and action to life! Off you go!
