

## **EYFS Instructions for Tuesday 12<sup>th</sup> May 2020.**

Good Morning! Hope you managed to get outside for some fresh air yesterday, despite the weather!.

**Phonics:** Complete a session from Mrs. Jervis, then have a go at the attached sheet for Phase 3. See how much you know/remember. The sheet can be done over a series of days.

**Maths:** Watch Numberblocks (Cbeebies iPlayer) episode “twenty”.

Count forwards and backwards from 20 starting from different numbers each time.

We are still exploring the concept of taking away.

You could:

Build a tower of 20 blocks, take it in turns to either take 1, 2 or 3 blocks at a time. Encourage counting how many left each time. The aim of the game is not to be the person to take the last block.

Set out 10 objects on a tray. Then under a cloth take some of the objects away. Can they work out how many objects have taken away. Encourage counting forwards to 10 using fingers to work it out. If get confident, try with 15 then 20 objects.

Practise writing the numerals 11-20. Could use paint, sand, chalk, water, pens, use playdough/plasticine They could write on paper, outside. Explore different ways to write the numbers.

**Literacy:** Draw a picture of a dragon and then write some sentences to describe that dragon.

**EAD:** You could:

Paint or draw a picture from the story On the way home

Make a collage of one of the animals that Claire encounters.

Make a model of one of the animals.

Using playdough who can make the longest snake, biggest crocodile etc

Make a crocodile swamp or a forest for the gorilla

Make a flying saucer

Design a playpark

Role play, your teddies have hurt themselves, how will you look after them?

Don't forget to read and share stories.

Have a lovely day

Mrs. Edgeworth
