

EYFS Instructions for Tuesday 5th May 2020.

Good morning! Hope you all had fun yesterday. Where did you go in your rockets?

Phonics: Complete a session from Mrs Jervis.

Then have a go at the hidden tricky words worksheet. If you have them, you may want to use magnetic letters to help find out what the words are. The letters are hidden in the pictures.

Maths: Watch Numberblocks on Cbeebies iPlayer episode “square club”.

Count forwards and backwards to 20 but starting from a different number e.g 5,6,7,8. You can also play ping pong where someone counts so far and then the next person carries on. Eg 123 456 789 etc.

Try some of the activities in the worksheet.

Play a game using a dice like snakes and ladders or something similar.

Literacy: If you need to, finish your rocket work from yesterday

Handwriting practise forming zigzag monster letters, complete sheet.

EAD: You could:

Make some star or moon biscuits

Build a rocket using junk materials

Find a cardboard box and turn it into anything you like, let your imagination go wild.

Make night sky pictures with stars, planets, moon using chalk/paint/collage.

Go on www.charanga.com and look at some musical activities.

Don't forget to read and share books, go outside and have some fresh air, run around.

Have a good day

Mrs. Edgeworth
