

## French

In French, when talking about activities we can say:

I play... **Je joue au ...**

or

I do... **Je fais du/de la/de l'**

When it is masculine **Le** - we use **du**

When it is feminine **la** - we use **de la**

When it is before a vowel **l'** - we use **de l'**

Choose the correct phrase to add to each picture and write a sentence beside each one.

Challenge : Choose other pictures from last week and write a sentence for them.
