

KS2 Geography: Monday 18th May 2020.

Continue your fact file about the geography of Greece.

Things to include

Weather and Climate

Settlements (Cities) What is the capital city?

Landscape (what does it have mountains? Coastline? Desert?)

Which continent is it on?

Good websites to use to help you:

Google Earth

<https://www.ducksters.com/geography/country/greece.php>

<http://www.primaryhomeworkhelp.co.uk/greece/today.html>

Look at images of Greek landscapes to help you too.

Remember to include a simple map within your fact file.

Music: Go on www.charanga.com and explore the different packages. Have you learnt the PLASTIC song yet? Perhaps think about adding your own music and rhythm to it either using instruments or body percussion. Think about the beat/rhythms to help see what you can come up with. It's a rap so could you add your own lyrics to it? Have fun and play around to see what you can come up with.

Stay safe
