

**Monday 18<sup>th</sup> May 2020**

**Good Morning Oaks from Ms.Pickard**

Thank you to everyone who has continued to send photographs to put into our home learning gallery. It is great to see everyone and the variety of work and activities that are taking place.

I would love to see even more of the Spartan helmets from the History lesson!

Anyone in Oaks who has responded to the Friday English S.O.S lesson, to help lift the spirits of the elderly in lockdown, I cannot thank you enough.

Remember, this can be an ongoing project so when something fun happens, start writing!

Here are your activities for today (you can do them in any order).

**Joe Wicks PE** (or another type of physical activity)

**Reading** for 20 minutes – THE MOST IMPORTANT!

**English**

This week we will continue our writing sequence leading to our final write in NARRATIVE GENRE.

I hope that you enjoy writing your story about a Greek god/goddess helping a mortal with a problem. All the lessons in the sequence are leading up to your final write, so keep referring back to the skills that we have covered.

**Maths**

Y6 this week you will be revising data handling...starting with interpretation of pie charts while y5 will be learning about reflection and translation. Y3 and Y4 see the tasks set by Miss Bamber

**R.E.**

Today's lessons are all about discussion so tell your parents that they are timetabled in for this lesson this afternoon!

**Geography and Music**

See Mrs Edgeworth's instructions for today's geography and music tasks.

Have a good day.
