Skills: Similes

First of all search for

Mr. Thorne's similes which will lead you to an orange background and the words : as light as a feather

Watch the explanation.

You are going to write some similes about the Greek mythological monsters on the monster images page in Oaks home learning. Choose a monster e.g Cerberus the many-headed dog.

Next choose a part of the monster to write a simile about e.g its teeth

Think of a simile:

e.g The teeth are as sharp as steel daggers.

How many similes can you think of?
