

Tuesday 5<sup>th</sup> May IMMERSION TWO GENRE:  
INSTRUCTIONS y3

Use search engines or the video that you watched yesterday and talk to parents to complete this order of events below ( which will help you to write your instructions to trick the Trojans at the end of this Literacy sequence):

### The Trojan War

The ten year war between Greeks and Trojans seemed like it would never end. The only way that they could win the war was for the Greeks to smuggle their army inside the high walls of Troy.

One day Greek Odysseus came up with a fantastic plan and gave instructions to the Greeks to trick the ...1.. who lived inside the city of Troy.

First of all the Greeks had to cut down...2.. that were growing nearby.

Then they cut the rough wood into planks.

They used skilled carpenters/craftsmen to use the wood to shape it into an enormous ...3...

The Greeks had to create hollow spaces inside the horse where the.....4... could hide.

Next, go to **purple mash** topic...ancient greeks....search for **trojan horse** ..scroll down from writing projects to other and click on the **trojan horse** to create a painted textured trojan horse.
