Y3 Maths

Good morning Y3s

For today's lesson, please do the **Y3 Progress Test** that I have set. You will find it in the list of tasks for today on the website. You can either print it out or just write the answers in your maths book.

I have also posted the answers so that you can check them when you have finished and see how you got on. Don't worry if you find some of the questions difficult, just do the ones that you can.

Good luck

Miss Bamber

When you have finished you can try some more games on Sumdog.
