

R.E. y3 + 4

Today you are going to think very carefully about the question:

What do Christians /churches do to help the community and others?

Talk to parents and think back to the poppy festival/angel festival/coffee mornings/soup lunches/foodbank collections/harvest festival food hamper collections etc..

Why does Church organise all these things in Osmotherley?

Who are they trying to help and why?

Discuss this with parents and write down your thoughts.

If you have attended any of these festivals write about your experience.

Can church do good things? Can church really make a difference to people's lives?

What do you think?
