

Monday 4th May years 3 and 4

R.E.

Today we are going to think about what Christian families might do in an ordinary week.

First of all

Watch [bbc schoolwatch places of worship](#)

Then think about the prompts and answers below (and discuss ideas with parents).

How might the boy in the video talk to God?

It's called private.....

How might the family together talk to God?

They might take part in family...

What might they do before eating lunch in a Christian family?

What might take place after tea in the Church Hall?

Where might the children go Sunday?

List anything else that you can think of that Christian families may do in an ordinary seven-day week.
