Today , use the features of effective instructions as planning headings to plan your INSTRUCTIONS FOR THE GREEK ARMY : HOW TO BUILD AND USE A TROJAN HORSE TO WIN THE WAR

These are very basic reminders of the sequence of instructions but they our not in chronological order. You must put them in time sequence:

PRETEND TO SAIL HOME

GREEK SOLDIERS OPEN THE GATES OF TROY FROM INSIDE THE CITY TO LET THE REST OF THE GREEK ARMY IN

HOLLOW OUT SPACES INSIDE THE HORSE

CLOSE THE SECRET HATCH/HATCHES

SOLDIERS CREEP OUT IN THE NIGHT AND ATTACK THE SLEEPING CITY OF TROY

CREATE A MAGNIFICENT WOODEN HORSE

CUT LENGTHS FROM THE TREES

COMMAND THIRTY GREEK WARRIORS TO CLIMB INSIDE THE HORSE

CUT NEARBY TREES OF FIR, OAK, PINE AND MAPLE

PUSH THE HORSE UP TO THE GATES OF TROY AND WAIT

MAKE A SCAFFOLD TO BE ABLE TO BUILD A HORSE OF GREAT HEIGHT

Now use these planning headings to make notes of sentences/phrases/vocabulary that you will use in your final write tomorrow:
