Today we are going to investigate the story of The Good Samaritan. This was a parable that Christians believe Jesus told (as an example to us all as to how we should behave when someone needs help).

Firstly watch the

- Make sure that you type **animation** as this is the selected video that I want you to view

The video above explains who the characters are in the story- the priest who should be serving God and being kind and the intelligent, wealthy lawyer who is educated and has money for medicine.

Now watch this moving drama of the same story without any spoken words, just emotive music: Search for

Click on the video showing the still photo of the man carrying another man. Within a few seconds of the beginning of the video the words will come on screen: A certain man went down from Jerusalem to Jericho.

How does this story tell us how to behave/how not to behave?

Remember that there was a lot of prejudice/hatred at the time between the Samaritan and the man who had been robbed.
