

Year 1 Instructions for Monday 18th May 2020.

Good Morning! Hope you all had lovely weekend.

Phonics: Watch a session from Mrs. Jervis.

Practise reading words: day, made, came, make and very.

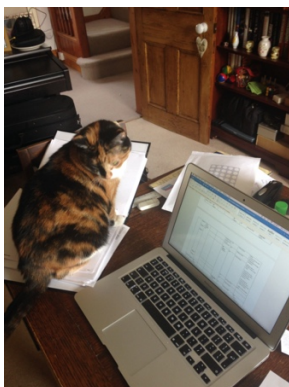

Then go onto www.phonicsplay.co.uk Phase 5, alternative spellings oa and play word sort

Write the sentence: I froze my nose on the cold window.

Maths: Challenge: Who in your house can make the longest snake? You can use anything to make your snake, play dough, plasticine, lego, sticks, it's up to you.

www.whiterosemaths.com home learning Year 1. Watch the video on Week 5 (18th May) Lesson 1 (Comparing length and height) and then complete the attached worksheet.

English: Today is a one off lesson, I am challenging you to write a short adventure story about Tigger. Tigger is in the photos below, she has been helping me plan your lessons over the last few weeks. Now she would like an adventure, she is in her box ready to go. You decide where should she go? What could she do? She has a friend Cleo who is very quiet and shy. (See below) Will she take Cleo with her or leave her at home? You could write it in your books or if you would like you could write it on Purple Mash. You may want to draw a series of pictures showing her adventure and write sentences. Make your story exciting, she needs to come back home to help Mrs. Edgeworth by the end of your story so think about how she makes it back.

History: Continue with your fact file from last week, looking at how shops have changed over time.

P.E. Time to get active, up to you how.

Remember to continue to read and share stories too.

Have a great day
Mrs. Edgeworth
