**English:** Complete any unfinished work.

On Youtube watch Rock and Roll Grammar The Tenses song (Past, Present, Future)  
Complete the attached sheet Past/Present.

**Geography:** Think of a favourite local place you like to go to, draw a map from your house to that place, think about what you may pass on the way and remember to draw that on. Add labels to your map saying why you like something.

So for example, I live near Sutton Bank so I would draw a route from my house to the visitor's centre, in particular the café. I may write as my label "I love eating cake here."  
And stick the label next to the café.

**Music:** Go onto [www.charanga.com](http://www.charanga.com) and select one of the activities to go on

Don't forget to share books and read.

If you are looking for other books to read, [www.oxfordowl.co.uk](http://www.oxfordowl.co.uk) currently have a free e library of many books. You do need to register but it's free. Once registered if you look at the ebooks. Click on levels and book bands. If you look at their current book that's the colour band they are on. If they are reading them with ease and showing a good understanding of the vocabulary and content you could try the next band.

Band order is as follows

Green, Orange, Turquoise, Purple, Gold, White and Lime.

You can choose a book and it downloads immediately. Sharing books together at home is also a great way to help develop reading.

Have a lovely weekend.
