

Year 2 Instructions for Monday 18th May 2020

Good Morning! Hope you had a lovely weekend.

Spelling: We will be focusing on suffixes this week. Suffixes come at the end of a word. This week we will be looking at -ment, -ness, -ful, -less, and -ly.

Follow the link to go onto BBC Bitesize Small town superheroes and play the Prefixes and suffixes game. You may want to explore other games too.

Maths: Practice saying your 2x, 5x, 10x tables.

www.whiterosemaths.com home learning Year 2. Go onto week 5 Lesson 1 (multiplication using x symbol) watch the video and complete the attached worksheet.

If you would like to do more activities look at BBC Bitesize daily lessons for Year 2.

English: Today is a one off lesson, I am challenging you to write a short adventure story about Tigger. Tigger is in the photos below, she has been helping me plan your lessons over the last few weeks. Now she would like an adventure, she is in her box ready to go. You decide where should she go? What could she do? She has a friend Cleo who is very quiet and shy. (See below) Will she take Cleo with her or leave her at home? You could write it in your books or if you would like you could write it on Purple Mash or on Word up to you. Make your story exciting, she needs to come back home to help Mrs. Edgeworth by the end of your story so think about how she makes it back.

History: Continue with your fact file from last week, looking at how shops have changed over time.

P.E. Time to get active, up to you how.

Remember to continue to read and share stories too.

Have a great day
Mrs. Edgeworth
