

Year 2 Instructions for Tuesday 19th May 2020.

Good Morning! I hope you had fun yesterday. Tigger seems to have had lots of exciting adventures so thank you for sharing your stories. She is worn out today and is asleep on my bed.

Spelling: Complete the attached sheet looking at suffixes -ment, -ness, -less, -ful, -ly. The root word does not change in any of these words. Read carefully as some words can go into more than one column.

Maths: Make an array using objects from around the house of 4x3 and 2x6. What do you notice?

If you cannot remember what an array is. Go onto www.whiterosemaths.com and watch the video Week 5 Lesson 2 (Use arrays) first and then have a go at the above exercise.

Complete the attached worksheet

Now make 3 arrays of your own. Draw them into your Maths books and write the number sentences it shows.

English: If you need to, finish Tigger's journey.

Then we are looking at skills in our writing sequence. We are revising the 4 sentences statement, command, exclamation, question. Watch the following 4 short clips to remind you what they are and then complete the sheet attached to home learning page.

Art: We are continuing looking at LS Lowry. If you need to watch the clip on BBC Bitesize (LS Lowry in his own words) again to remind you

Look at the city scene attached to the home learning page. Think about how he has drawn his buildings, people. In particular look at the colours he has used. Compare it to the Seaside painting too.

Concentrating on the city scene, try sketching some of the buildings he has drawn. Look carefully at the colours he has used. Explore the different colours you could use paints or pencil crayon. Look carefully he has not used strong colours so how do you think he might have got the effect? Experiment and see what you can come up with.

Don't forget to continue reading and sharing books with someone at home.

Have a great day

Mrs. Edgeworth
