

Year 2 Instructions for Friday 22nd May 2020

Good Morning! Last lot of lessons before Half Term. Thank you all for working hard at home, I am really proud of you all for adapting to this new way of learning. Enjoy your holiday and relax!

Spelling Complete the sheet on the home learning page linked to the suffixes -ful and -less.

Maths: I have set some challenges on www.sumdog.com

In your books make arrays for 6×5 , 4×2 , 8×5 , 7×2

Now complete the following questions. Cut out the questions and stick them in your books and try answering them (Mastery questions).

This array represents 10×4

Set out an array for 5×4

Set out another array for 10×3

Action Figures

Which will have most action figures:

5 packets with 5 action figures in each one, or
10 packets with 3 action figures in each one.

Five friends share 20 sweets.
How much will each one get?
Write it as a division number sentence.

Ten friends share 30 golf balls.
How much will each one get?
Write it as a division number sentence.

Make up more for your friends.

Thomas and two friends go to a football match and each pay £5 for their ticket.
Write this as a division number sentence.

If they only had a £20 note to pay for the tickets, how much change should they receive?

English: Finish writing up your house advert for the 3 bears cottage.

Geography: On either zoom Earth, Google Earth, Google Maps explore satellite images of Osmotherley and the surrounding area. Using street view, can you find your house and the school. What human and physical features can you see in Osmotherley and surrounding area? Complete the attached table. Remember features do not move.

Music: Go onto www.charanga.com and try Your Imagination.

Remember to continue to read and share books with someone at home.

Have a fantastic Half Term and hope to see you all soon.

Mrs. Edgeworth
