

Year 2 Instructions for Wednesday 17th June 2020.

Spelling: Finish your their, there, they're poster from yesterday. If you have finished, write some sentences in your books using the homophones in the correct context.

Remember their means belonging (their chair)

there is an action or place. (Go over there)

they're is the contraction for they are.

Maths: Finish any work from previous days first.

Go onto www.topmarks.co.uk and play the shape sorting game

<https://www.topmarks.co.uk/shapes/carroll-diagrams-2d-shapes>

Then go onto www.whiterosemaths.com and watch Week 8 lesson 3 shape sorting and complete the attached worksheet.

English: We are looking at adjectives and adverbs. Over the next couple of days think about phrases and sentences you could use in your writing. Today concentrate on adjectives. Remember an adjective describes a noun. Look at the picture below. Write as much description as you can describing what you can see. Also start thinking about where you would like your house to fly to and start thinking about how you would describe that place. (EG If it's the Amazon Rainforest, think about what you can see, hear, smell, touch and use lots of adjectives to describe it. The tall, green trees rustle in the gentle wind. The colourful parrots squawk as they fly from tree to tree).

Science: Continue with the activities set by Mrs. Bridge.

Remember to get outside and get active

Don't forget to share and read books with someone at home.

Have a great day

Mrs. Edgeworth.
