

Thursday 25th June

We are starting a mini DT block of work this week. I have had some fantastic powerpoints sent in to me. Well done to those of you have made them.

Over the next three weeks, we will be doing research and making an 'accessory for The Gods'

This week I would like you to research the Ancient Greek Gods and the special accessories they had. Create a poster showing the different accessories they had. I've attached an example below which I have started. You could do the poster on publisher, word or handwritten on paper. Be as creative as you can with the way you present the information and choose no more than eight of the Gods who interest you. Think about the accessories they have and what attracts you to them.

Y5/6 As well as simply attaching the images and God/Goddess the accessory is associated with, write some facts about the accessory eg its meaning or what it is used for.
