

Monday 8th June 2020

Good Morning Oaks (from Ms. Pickard).

Well done to all those who wrote down their opinions about the Theseus and the Minotaur story last week on Purple Mash. Check for my feedback.

Today is the last timetabled day to finish your news report, if you need the time, and also to take care editing your final write. If you've finished you will find some skills tasks.

I have received a couple more care home replies so look on home learning tomorrow to see what the elderly residents want me to pass on to you. My special black box is slowly filling with cheerful pictures and more letters/poems to send in the next two deliveries. Don't forget to send them in if you have anything for me to pass on.

Here are your activities for today (you can do them in any order).

PE (Joe Wicks or another type of physical activity)

Reading for 20 minutes – THE MOST IMPORTANT!

English

See comments above.

Maths

Year six will continue their sequence of White Rose fractions this week and year 5 will begin their White Rose fractions work

R.E.

In R.E. Years 5 and 6 are investigating how faith can help people through tough times and Years 3 and 4 are looking at the biblical story of CREATION and THE FALL.

Have a good day

Ms Pickard
