Good Morning Oaks

I hope you are having a great week so far. The children at school enjoyed watching Pandora's Box and completing the immersion task in English yesterday. I hope everyone at home enjoyed it too.

Thank you to all the children who replied to let me know that they were interested in taking part in the virtual tennis and athletics festivals. Look out for an email to tell you if you have been chosen for one of the teams. I have tried to make sure that everyone who responded has a place in their preferred team. If anyone wants to have a go at the activities but didn't respond, please let me know and I will send the information and a scoring sheet so you can still join in.

Here are your activities for today (you can do them in any order).
