Good Morning Oaks

Today I have added a Picture News at Home poster and information sheet (like the ones that we discuss in our Picture News assembly at school). You might like to hold your own Picture News discussion at home. You could even sit in a circle and make sure that everyone puts their thumbs up when they have something to say.

Here are your activities for today (you can do them in any order).

PE (Joe Wicks or practise the tennis/ athletics activities – see the home learning page on 10th June for details)

Reading for 20 minutes – I have included this week's Picture News newspaper for you to read.

English

Today Ms Pickard has asked you to describe Pandora's box and whatever you imagine flies out of it. This is your chance to be creative and show off your descriptive skills.

Maths

See the maths tasks set by Ms Pickard and Miss Bamber.

Computing and French

See this week's activities set by Mrs Smithson.

Enjoy your learning.
