

Wednesday 24th June 2020

Good Morning Oaks

If you are taking part in the virtual tennis or athletics festivals, don't forget to return your scores by the 2nd July (next Thursday). I hope you are enjoying the challenge.

Ms Pickard is very excited about the new writing genre. Poetry is her favourite and I am always amazed by the poetry that children in her class write. I would love to put some of the finished poems up on display at school so do your best, use all your descriptive skills and send them in.

Here are your activities for today (you can do them in any order).

PE (Joe Wicks or complete the tennis/ athletics challenges –details on the home learning page on 10th June)

Reading for 20 minutes – THE MOST IMPORTANT!

English

Today you are continuing the immersion stage of the writing sequence and you will be finding out about Hercules – see the instructions from Ms Pickard.

Maths

See the maths tasks set by Ms Pickard and Miss Bamber. Ms Pickard asked me to remind Y5 and Y6 that they must finish and mark the previous day's learning before starting the learning for today.

Science

Mrs Bridge is sending you outside to make the most of the lovely weather. See this week's science activities to find out what she wants you to do.

Enjoy your learning.

Miss Bamber
