

**Monday 1<sup>st</sup> June 2020**

**Good Morning Oaks (from Ms. Pickard)**

I hope that you have been enjoying the glorious sunshine recently and welcome back to term-time home learning.

The home learning gallery is expanding rapidly so thank you to everyone who has sent photographs to share. It is lovely for teachers to see what you have been up to in lockdown and how much you are all growing!

The care home letters have been delivered to the elderly residents and my friend was delighted with them. She said that they were **LOVELY, BRILLIANT LETTERS**. I will give you more feedback soon. She has asked if you could help again, by creating a cheery picture on A4 so that residents can place these in their rooms to brighten the day. You don't need to add any writing although you might want to add a word or two such as WE ARE THINKING OF YOU, etc. It is entirely up to you. Don't write your name on the picture please. Remember the privacy rules. Create something colourful if you can and send it to me or admin. at school. Thank you to those who can help.

Here are your activities for today (you can do them in any order).

**Joe Wicks PE** (or another type of physical activity – go for a walk or do a Morning Mile run)

**Reading** for 20 minutes –DON'T FORGET!

**English**

Today we will focus our attention on the famous Greek legend: Theseus and The Minotaur. Be careful to click English part 1 file before part 2 file. At the end of the literary sequence, later in the week, you will have all the tools to write a sensational news report about the events that take place within the dramatic story.

**Maths**

Year 5 and 6 will be completing an Olympic-themed ancient Greek Maths task and finding out more about these important games thousands of years ago.

Miss Bamber has set maths tasks for Year 3 and 4.

**R.E.**

In R.E. the Lower Key Stage 2 pupils will begin new studies investigating the overarching question: Why is the Bible so important for Christians today? While the Upper Key Stage 2 pupils will think carefully about the answers to the question: What do Christians, Hindus and Humanists feel that their beliefs say to them about times of hardship in life?

**Geography**

See the attached story and related tasks set by Mrs Edgeworth.

**Music**

Mrs Edgeworth has set some new music activities on Charanga.

Enjoy your lessons!
