

Thursday 11th June

Good Morning, Oaks,

Have any of you spotted the lockdown snake near the bus stop?

What a great idea! Mrs Mansfield saw the sign and thought that some of you might like to join in and decorate a stone to add to the snake. I wonder how far it will stretch?

Thank you to everyone who contacted me to say that they would like to take part in the virtual tennis and athletics festivals. If you missed the message yesterday, have a look at the Oaks instructions and the pupil notes listed in the home learning under Wednesday 10th of June. You don't have to be in school to take part and you can borrow a school tennis racket if you don't have one at home. Don't miss out – it will be lots of fun and it will help you to get fit!

Here are your activities for today:

PE- See above (it's never too soon to start practising!)

Reading – 20 minutes (Ms Pickard has included a story for the Y3/4 children that they missed last time)

Maths – See the tasks set by Ms Pickard and Miss Bamber

English – Planning day today. Make sure you include all the features of a letter and use the skills you have been learning. We need some new names on the silver and gold traffic lights.

Science– See the instructions from Mrs Bridge.

Have a good day.

Miss Bamber
