

**Friday 12<sup>th</sup> June**

**Good Morning, Oaks.**

Here we are at the end of another week. I hope you have enjoyed your home learning tasks and worked hard this week. I know that the children who have been in school are ready for a break and I'm sure you are too.

Have a great weekend and hopefully we will see a bit of blue sky between the showers. I'm looking forward to a long walk with Lotte and, if I'm lucky, she might even agree to another game of Backgammon!

Here are your activities for today:

**PE-** Don't forget it's 'Dress-Up Friday' on PE with Joe.

**Reading** – 20 minutes - I have attached this week's Picture Newspaper.

**Maths** – See the maths tasks set by Ms Pickard and Miss Bamber.

**English** – Today you can write your letters. Use your planning from yesterday and make sure you include some emotive language. I'm looking forward to reading the finished letters next week.

**Art** – See the instructions from Ms Bamber

Have a good day and enjoy the weekend,

**Miss Bamber**
