

Y3 History.

Today we are going to think about how Alexander The Great wanted to bring Persia and Greece together by marrying Greek high-ranking soldiers to Persian noblewomen. He wanted to bring the two ways of living and dressing together. He started to wear Persian clothing.

Search for more examples of images of ancient Persian and Greek clothing.

Now draw two columns and copy some of these clothes and write a sentence about the differences you see between Greek and Persian clothes in the time of Ancient Greece.
