

Hello y3 and y4

Today we are going to move on from the OLD TESTAMENT in the bible where we see God like a strict parent handing out consequences when he is disobeyed.

Today we will move on into the NEW TESTAMENT where Christians believe that Jesus is THE NEW WAY. Jesus tells us that we can be brought to God through him. This is called salvation and the NEW WAY is all about love and forgiveness.

Christians want to follow Jesus and his advice. They want to be like Jesus: loving and forgiving and treating everybody equally.

Kezia in the video said, "Love others like Jesus does".

Make a poster with the heading LOVE OTHERS LIKE JESUS DOES and add captions and/or pictures showing people being loving/forgiving/treating everyone equally.
