

Wednesday 17th June **y4** Skills Lesson

Today you are going to think about noun phrases (using adjectives) and prepositions to add detail to descriptive writing.

I only want you to look at certain sections of this website.

Search for **using prepositions in setting descriptions bbc bitesize**

Watch the **learn about noun phrases supermovers first video**

For fun!

Then bypass the stone man and scroll straight to the 3rd video showing the spaceman

Learn about prepositions

Now scroll down and complete the other tasks below the spaceman video. **Some parts of your task are to read and digest information and examples.** Don't skip these important written sections!

Now write noun phrases and some example sentences using prepositions linked to the creatures in the box:

You can imagine what is beneath/behind the box too.

Example nouns above to link with adjectives: **tentacles**

segmented body rows of teeth eyes head
