

Tuesday 23rd June years 4 and 5

Today we begin our immersion discovering more about the famously brave SPARTAN WARRIORS which will lead to writing a poem about the Spartans.

Although there will be some choice about poem content at the planning stage if some of you **desperately** want to write about a different strand of Ancient Greece. I really want you to enjoy writing these poems.

Find out all about the Spartans first and then you decide on the detail of your poem later.

Today create a short fact file about Spartans
