

Year 2 Instructions for Tuesday 16th June 2020.

Good Morning! I hope you are all well and having fun.

Spelling: Make a poster showing the homophone their/there/they're
You need to show the difference between the meanings in your poster. Remember their (belonging e.g. their bags) there is an action (go over there!) and they're is short for they are.

Maths: Find an old box (e.g. cereal box) and carefully open it up. What 2D shapes can you see? How many?

We will be looking at 3D shapes today so go on a shape hunt around your house and try and find a cube, cuboid, sphere, cylinder, cone and pyramid.

Go onto www.whiterosemaths.com and watch Week 8 Lesson 2 on the Year 2 Home Learning.

Then try completing the worksheets attached.

You may want to try making some 3D shapes using objects around your house. See what you can make.

English: We are continuing to look at adjectives and adverbs, if needed finish the worksheets from yesterday. If you have finished think of some adjectives to describe the following objects. Draw them in your book first then think of as many adjectives as you can to describe them. Try to avoid words like big, small, nice, good, bad see if you can think of other words that mean the same thing.

A tree, a horse, a witch, a house and a pair of pyjamas.

History: We are thinking about the history of Osmotherley School. Think about what it looks like today. What does our classroom (normally) look like, it's a bit different at the moment. What do we have in the playground? Where do we have lunch? Draw a picture of the school (or print one off the internet) and stick it in the middle of your piece of paper. Write the title Osmotherley School in 2020. Then draw and write as many things as you can telling me about the school around the school building. E.g. the slide, Acorns garden, the colour of our uniform, where you eat lunch, where you sit to do your work in the classroom etc. Anything you can think of. You can even mention the fact that school lockdown on March 20th as that will become part of our history.

Remember to go outside, have fun.

Read and share books with someone at home

Keep looking after each other

Mrs. Edgeworth.
